## GEO. D. PRINCICE) PAUL R. SHIPMAN, Editors, JAS. S. WALLACK,

III.IVER LICAS, Local Editor and Reporter ANDIDATE FOR CONGRESS IN THE SEVENTI Hon.ROB'T MALLORY.

THURSDAY, MAY 16, 1861.

HON. BOBERT MALLORY .- Mr. Mallory making speeches through this Gongressiona District. If made a noble speech at Shelhyville on the 13th to u large, united, and enthusiastic audience.

We have no doubt that it is the almost una ir ions wish of the Union men of the D stric thy Mr. Mallory be re-elected to Congress There are many other true men who would are none truer than he, none who would represent it better. Our people in all the Congressional Districts of Kentucky have generally acted upon the principle that a Representative's term of service entitled him to the fuvorable rdiet implied by a re-election, and most cer a verdict than Robert Malory. Nevertheless he has not consented to be a candidate upor by assumption that he has peculiar claims He puts his own claims, whatever they may be, out of the question, and looks only to the shall be any attempt to take her out by fraud, mion of the Union party and the welfare of He State and nation.

Dur own conviction is that the general unanimity of the Union party in lavor of Mr. Mallory's being our caudidate renders the calling of a nominating convention unnecessary; and we all know from experience that more harm than good.

very speedily out of the Union by combined trand and violence; but such is the deplorable of Kentucky detected in culisting or attempting he startling revelations recently made by Dr. address a large crowd, he no doubt, in his embarrassment, revealed things, which, if he dar. had taken time for reflection, he would have kept to himself. His declaration that he was was the lirst intimation that the friends of the Union in Kennucky received that our State and the representatives of Kennucky from their powered to wield for that very purpose; and by home. had an agent of any sort in that city. Many nothing in particular, but we have since learnel that it was strictly true in its broadest and most literal seuse, il the accredited agent of

we deem in possible. Clearly and munifestly

s might be obtained from the South or the North, would go out of the Union, but yet we he relatives and peculiar friends of these leaders have all along, in spite of any appearances ust as soot as she could be armed, regarding it main proposition made: having large property in the seceding States.

ments, are exulting in the assurance, given arms. None of the States that lie on those arms. None of the States that lie on those of things, were all that the conservative people of things, were all that the conservative people of things, were all that the conservative people of the acceded States required to enable them will send it down, for as I beard it read it seems are considered in the acceded States required to enable them will send it down, for as I beard it read it seems are considered in the acceded States required to enable them will send it down, for as I beard it read it seems are considered in the acceded States required to enable them will send it down, for as I beard it read it seems are considered in the acceded States required to enable them. work to do. It is, we are informed, an un- submitted quietly to the planting of secession gitimate method of each recurring election, quires. rolled in the military companies of Kentucky, fiscation of enrgoes and the shooting of passen- into the Union. The authorities of the revo-

of the Union, should take warning. They may at that place. Why strain at a gnat after some plausible ground of reason, was their don't see how he can be otherwise. Put if I not be able to learn the exact character of the swallowing half a dezen camels, homps and all? only hope for uniting their people, and so per-wiskes to protect himself from such charges be any possible plot. Let them take every conthe Southern Government against the Govern. State, and as true a man as ever stood up, science, and affection, have given place, on blame those who do not know his personal opi reclaim instantly he State arms from all who received into the agencies of Devils: and molerate men at the North, and molerate men at the North, inat they wented the willing that the South should withdraw, if, and lleaven is besieged by the professed ministrative, and have obtained convention, they desired to do so. Mr. Lincoln to the convention, they desired to do so. Mr. Lincoln to the convention, they desired to do so. Mr. Lincoln to the convention, they desired to do so. Mr. Lincoln to the convention, they desired to do so. Mr. Lincoln to the convention, they desired to do so. Mr. Lincoln to the convention of the conventi military bill enacted which should not prescribe the North nor the troops of the South shall the land and upon the people. the oath of allegiance to the Constitution us cross our soil for jumposes of invasion or colan indispensable condition of any man's being lision, but really, if a regiment of Teunessee ple in the conduct of all governments, that a change from the homestead at Mansheld. TRAGEDY AT HARPER'S FERRY .- Letters, under date of the 12th May, were received in this city vesterday from the members of the Ken tucy Bittalion et Harper's Ferry. Capt. Pope's enmpany had become very trouldesoure to the command, and Col. Duncan refused to permi them to be mustered into his buttalion. Murphy, a member of Capt. Pope's company, was shot re cantly by Samuel Moore, a fellow-soldier, are mortally wounded. We are advised that Moo will be shot. Murphy has a family in this city residing on Jefferson street, between Sixth and Saventh.

DECLARED A LUNATIC. -Our reeders are fi miliar with the circumstances connected with the of land, will be the annual product of THIS 1.A- be sent to the lunatic asylum. a-sessination of an old resident of Clark county n uned Peter Smith, on the Jeffersonville ferry boat a few weeks ago, by Francis J. Smith, the illegitimate son of the murdered men. Tha asarested, and, since his arrest, has been confined in juil in this city. He was put upon his trial in the Criminal Court vester dry and acquitted of the charge of murder upo the ground that he was in ane. By order of the Court he will sent to the Lunatic Asylum.

Will Gov. Magoffin ask the Attorne General whether the bill which passed the Legislature in reference to the courts is no unconstitutional in several important particular lars? We do not doubt that the views o Attorney-General James will accord with or own. Let the Governor consult his constitu tional adviser.

The Legislature desires to close ap on courts to home creditors and lenve Eastern creditors to have a full sweep at Kentucky merchants through the Federal Courts. The court now holds eight terms during the yenr. The legislator who thinks the law in question will be a popular measure will be grently disappointed.

THE OPENING DAY .- The Spring races over the Woodlawn Course will be inaugurated or Saturdey with a race for the challenge vase, valued at \$1,000, dash of four miles, play or pay There are four subscribers, and the race will be o is of the most interesting that will occur during

Whereas, the constitution of the Diocese of Al bains was adopted when the said Diocese actually was on the presumptions of its continuing to be, a part of the "Protestant Episcopal Courch to be, a part of the "Protestant Episcopal Courch
of the United States,"
And whereas, the State of Alai ama is no longe-a part of the United States;
Treasfore, it is berely declared by this convention that the first article of the constitution of
the discesse, with all those canons, or portion of
canons, dependent upon it, ere null and void.

It is in hermore d clared that all canons, or
partie at f canors, both discessen and general, not
noce strily deserted in upon the recognition of the
authority of the church in the United States, are
he elsy relatine in force. he els intaine in force.

This declaration is not to be constraed attecting faith, doctric, or communion.

Do You BELIEVE IN DREAMS?-The late Dr Do You Believe in Dreams?—The late Dr. Albert milit, of Edinburgh, whise piely, medical skill, and philosophical acumen secured for lama a deservedly high reputation, has recorded from his own knowledge some remarkeble dreams. "A clergyman," he says, "bud come to the Scottish metropolis from a short distance in the country, and was sleeping at an inn, when he dreamed that he saw a bre, and one of his children in the undst of it. He awake with the impression, and instantly left town to return home. When he arrived within sight of his house, he found it on fire, and gut there in time to essist in saving one of 11s children, who, in the alarm and emptorice, had been left in a situation of great danger." The following anecdote," he adds, "I sm The fellowing anecdote," be adds, "I shi enabled to give as entirely authentic: A lady dream dihat an aged female relative had been murdered by a block servant, and the dream occur red mere than occe. She was then so impressed by it that she went to the house of the lady to whom it related, and prevailed upon a gen leman to watch in an adjoining room during the following night. About three in the morning, the gontlemen, hearing footsteps on the stir, left his place of concealment, and met the servent currying up a quantity of coals. Being questioned as to where he was going, he replied, he have prived and confused manner, that he was

stair, left his place of concealment, and met the reviving up a quantity of coals. Being questioned as to where he was going, he replied, place having a distribution of the summer, that he was about to mend his unistress's fire, which at that hour, he his mistress's fire, which at that hour, he his middle of the abounter, was evidently improved his unistress's fire, which at that hour, he his middle of the abounce, was evidently improved his use, my hair was quite as rock hufe was found concealed beneath the arrock hufe was found concealed beneath the ant to mend his mistresse's fire, which al 10st in the middle of the summer, was evidenting so ble; and, on further investigation, a type kuffe was found concealed beneath the als.

Au ther example of an equally attiking charter of the control of

We can hardly, therefore, think so ill of the in metunes a premonitory and providential char-It would be difficult, perhaps, to state more elearly the rules which prudence and piety alike sterne in this matter that has been done by Mr. Sieppard in his "Essay on Dreams."

"Or e would say, generally, he very slow in persistence and done by the say of the say ourgh, who precured a friendly sentihelfor her axed relative; and we commend the helfor men who hastened home in the night to "But we should of course say most decidedly,

is at variance with senul reason and putience, of evers the dictates of passion or fancy, diseard in their was a vain and dangerous illusion. Indeed there is all reason to conclude that the dreams of some ardent minds were first prompted and creation and the property of the control of the property of v. the privilege of this added confirmatory indi-sion that a hidden but confiscient power overns our faculties and the events around us; PROF.
